WORKING WITH WORLDWIDE FARMERS EXCHANGE

How did you hear about Worldwide Farmers Exchange?
Do you know anyone who has participated in a WFE Program?

How will this program benefit you when your return to your home country?
What do you hope to gain from the experience? *(Attach another sheet of paper if needed.)*

Please answer all questions as completely as possible. You can find application and submission instructions on the [last page of this document](#) or on our website: worldwidefarmers.org.

I understand that a placement cannot be guaranteed by Worldwide Farmers Exchange. If a placement can be found, I will be sent a Training/Internship Placement Plan (DS-7002) describing the host farm placement.

I understand and agree to the following:

- If I am granted a visa, I will be charged a monthly program fee by Worldwide Farmers Exchange. I authorize the program fee to be automatically deducted from my stipend or paycheck, and if it is not, I agree to pay the fee directly to WFE. If the program fee is not paid, my program may be terminated.
- My placement will be with the host named on my DS-7002 for my entire exchange program.
- The U.S. State Department requires that I submit two reports during my program: one at the middle of the program and one before the end. If I do not submit these reports, I may be disqualified.
- I have read the WFE Handbook and will follow the rules of the Program.
- By signing or typing my name in the Signature field below, I acknowledge that all of the information in my application is true and correct.
